

# STUDENT PRESIDENT

**Oran Rose O'Sullivan**

I'm Oran and I wanna make this uni work for YOU!

As president, I will strive to make LAU feel like a familiar and welcoming place that builds confidence in every student - prioritising making both buildings more familiar via accessible, bespoke maps and guides that make note of things like busy hours, facilities available, or when staff may be able to help you best.

I plan on continuing the great range of creative workshops the union provides, expanding and advancing these even more to get your mind, opened and your skillset, widened.

As a maker and trader, the art markets and second-hand stalls that have been popping up in the union as of late provide an amazing opportunity for students to market and network themselves with fellow traders and I plan on continuing to help run these throughout my candidacy.

The workshops available within the uni itself are an incredibly valuable resource and I want to make all students aware of induction openings via the usual weekly mailing list as well as via Instagram. They cost nothing to attend and as someone who's worked in the print and printmaking department part-time for two years, it pains me to see some students not utilise all this gorgeous equipment that is at your disposal!

I love LAU and all that the union does, and I will do everything in my power to make your union the best it can be for as many students as possible. I hope I can count on your vote!

**Cast your vote on eStudio from the 11th of March - 18th of March!**
